

3rd European Conference on Sustainable Urban Mobility Plans

Save the Date

12 -13 April 2016

Bremen, Germany

This is the principal annual event for all those involved in turning the Sustainable Urban Mobility Plan concept into practice. Be one of the 300 delegates from across Europe to attend this free event. This is a unique opportunity for networking and learning about the latest developments in urban mobility planning.

In collaboration with the

European Platform
on Sustainable Urban
Mobility Plans
