

## Condensed roadmap for the Transport White Paper on High-Speed Rail

### Course description

Proposed measures, actions and milestones towards the White Paper goal on high-speed rail: "By 2050, complete a European high-speed rail network. Triple the length of the existing high-speed network by 2030 and maintain a dense railway network in all Member States. By 2050, the majority of medium-distance passenger transport should go by rail."

### Target audience

Relevant for companies, associations, NGOs that are involved with EU policy making related to European rail infrastructure.

### Thematic area

Networks
