

## Condensed roadmap for the Transport White Paper on Long-Distance Freight

### Course description

Proposed measures, actions and milestones towards the White Paper goal on Long-distance Freight: "Thirty per cent of road freight over 300 km should shift to other modes such as rail or waterborne transport by 2030, and more than 50 % by 2050, facilitated by efficient and green freight corridors. To meet this goal will also require appropriate infrastructure to be developed."

### Target audience

Relevant for companies, associations, NGOs that are involved with EU policy making related to freight and logistics.

### Thematic area

Freight and Urban Logistics
